

tomorrow I have planned to fall  
to fall like cattle lithium to fall like sound like plaid boldness  
tomorrow I have planned to fall  
to fall like cattle lithium to fall like sound like plaid boldness  
to fall like patent leather belfries flash fires  
to fall like geese at Christmas wish-bows and bones and well  
need a ghost? feeling sick of flash fires belfries  
to fall like geese at Christmas then  
I am sick of kneeling to fall like failure fairground darkness  
tricks my grandmother how to suckle eggs  
tomorrow I have planned to fall  
to fall like failure fairground darkness  
to fall like patent leather lithium to fall  
like ailite fairground darkness wish-bows and bones and well  
tough love kills nightly fucking blondes is no safer than fucking brunettes  
need a ghost? then teach my grandmother how to suckle eggs  
I am sick of kneeling sick of swarming this is me this loss should it matter?  
to fall on dear ears you must be standing I just the morgue need to lack  
to fail? you tell me  
you tell me about bullrazing dozers to desire you need to lack  
tomorrow I have planned to fall  
how to hammer objects into hardened soil you tell me  
to fall like cattle lithium to fall like sound like plaid boldness  
to fall like cattle lithium to fall like sound like plaid boldness  
to fall like geese at Christmas bedroom showgirls  
commemorative doubt to fall like failure fairground darkness  
how to hammer showgirls hardened soil this loss should it matter?  
sewage light truth conversation why I just the morgue  
to fall like fingers funtime success the abattoir  
to fall to fall a plan an ending to fall tomorrow I have planned to fall  
tough love kills need a ghost? then teach my grandmother how to suckle eggs  
need a ghost? then teach my grandmother how to suckle eggs  
I am sick of kneeling sick of swarming sick of feeling sick of learning  
to fall like failure fairground dark to fall on dear ears you must be standing to desire you need to lack  
like geese at Christmas tomorrow I have planned to fall  
blondes to fall on dear ears you must be standing to fail? you tell me wish-bows and bones and well  
no safer than fucking brunettes you tell me about floods voices bullrazing dozers confectionary  
you tell me about floods voices bullrazing dozers confectionary  
how to hammer objects into hardened soil fairground darkness  
tomorrow I have planned to fall this loss should it matter?  
I am sick of leaning sick of crawling sick of reeling sick of calling  
I am sick of leaning sick of crawling this is me this loss should it matter?  
to fall a plan an ending Sewage light truth conversation be standing to desire you need to lack  
to fall like fingers funtime commemorative doubt to fail? you tell me  
to fall a plan an ending Sewage light truth conversation bullrazing dozers confectionary  
to fall like fingers funtime commemorative doubt need a ghost? then teach my grandmother how to suckle eggs  
you tell me about floods voices bullrazing dozers confectionary  
to fall a plan how to hammer objects into conversation sick of crawling sick of reeling sick of calling  
I am sick of kneeling sick of swarming sick of feeling sick of learning  
this is what I made of - this is what I try to leave  
tomorrow I have planned to fall I am sick of kneeling sick of learning  
to fall like cattle lithium to fall like failure fairground darkness Christmas bedroom showgirls  
to fall like failure fairground dark to fall like geese at Christmas bedroom showgirls  
to fall like patent leather belfries to fall on dear ears you must be standing to fail? you tell me  
wish-bows and bones and well floods voices bullrazing dozers confectionary  
sewage light truth cause to fall like sound like plaid I try to leave  
to fall like patent leather belfries flash fires to fall like cattle  
tomorrow I have planned to fall literature wish-bows and bones and well  
tomorrow I have planned to fall success
